

Moms to Moms

Are you a “seasoned” mom who would love to come along side a “newer” mom of a newborn or even a mom of a preschooler and walk with her, love on her, support her, encourage her, and just be there for her? Our new ministry, Moms to Moms, could be just what you’re looking for. This ministry will serve our newer moms by having monthly brunches, where we can encourage and gather the needs of our mamas and fellowship as a group. We will also have great opportunities to just be there so they can have a cup of coffee, run errands, etc. As we are doing this, we will be mentoring them and showing Christ’s love to them as we have been called to do. This ministry is also going to be an excellent opportunity for outreach! Pray about it! Talk to one of our team leaders about it! I’d love to walk with you on this ministry team that is so needed today!

Always for His Glory!
