GATHERED WITH GRATITUDE

November naturally turns our attention toward thankfulness. As we reflect on the year and prepare for the holiday season, it's easy to focus on the blessings we've received. But one of God's greatest gifts is often found in the people He places around us.

Throughout Scripture, we see God working through community. He encourages, strengthens, and cares for His people not only through His presence, but through relationships with one another. In seasons of celebration and seasons of struggle, He reminds us that we were never meant to walk alone. That's one of the things we love most about Friendsgiving. While the food and fellowship are wonderful, the deeper purpose is creating space to gather, connect, and remember that we belong to something bigger than ourselves. Around a table, conversations are shared, stories are exchanged, friendships are strengthened, and gratitude grows.

As we enter this season of Thanksgiving, take a moment to consider the women who have encouraged you, prayed for you, challenged you, or simply walked alongside you this year. Then consider how you might do the same for someone else. May this month be filled not only with gratitude for what God has done, but also with appreciation for the people through whom He has shown His love and faithfulness. We look forward to gathering together at Friendsgiving and celebrating the gift of community with you.

.

"Let your roots grow down into him, and let your lives be built on him. Then your faith will grow strong in the truth you were taught, and you will overflow with thankfulness." Col. 2:7

Recap
One Cup at a Time

What started with a simple coffee connection became an opportunity for fellowship. Thank you to everyone who participated and helped make our community a little stronger and a little more caffeinated. 💛
